

Rowan's Law – Concussion prevention and identification

Concussion prevention and identification are integral to the safety of all athletes. Please read the supplied concussion information on the Athletics Ontario website (athleticsontario.ca/safe-sport/). You may choose the reference that is suitable to your age (or the age of your athlete). The following agreement must be signed and returned before AO and club membership can be finalized.

Athletes under the age of 16 must have a parent/guardian sign the waiver AS WELL as themselves. Parent/guardians – if your athlete is under 16, please review the documentation with them and have them also sign this agreement.

There are two signature lines available for athletes – this is for families with more than one athlete. Please feel free to add a line where more than two athletes have the same parent/guardian.

I understand that concussion awareness and recognizing the signs and symptoms are integral in preventing long term injury.

I have read, understood and agree to abide by the guidelines set forth by Rowan's Law to the best of my ability.
